The INDICA project mobilizes young people for inclusion and diversity!

The INDICA project aims to promote inclusion, diversity and active citizenship among marginalized young people, including NEETs, young people with disabilities, and migrants/refugees.

Goals and ambitions

1

Reinforcing inclusion: creating spaces for expression for young NEETs, migrants/refugees and people with disabilities.

2

Raising awareness of living together: combating discrimination through education and intercultural interaction.

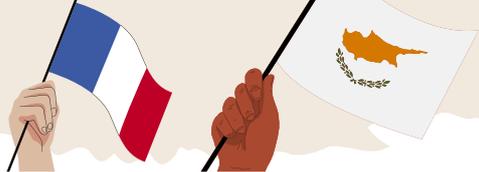

3

Engage young people in civic activities, from communication to writing a book.

A lasting impact

Project results will be shared via events, European platforms (SALTO Youth, EPALE) and social networks, strengthening local and international commitment.

A European partnership

This project is based on transnational collaboration between French and Cypriot organizations, using non-formal education methods and innovative tools. The aim is to give these young people a voice so that they can become agents of change.
